TOOLS REQUIRED

- 5/6mm allen tool.
- 13mm + 10mm socket wrench.
- Step ladder.
- Butyl mastic sealant.
- Vacuum.
- Clean rag and cleaning agent.

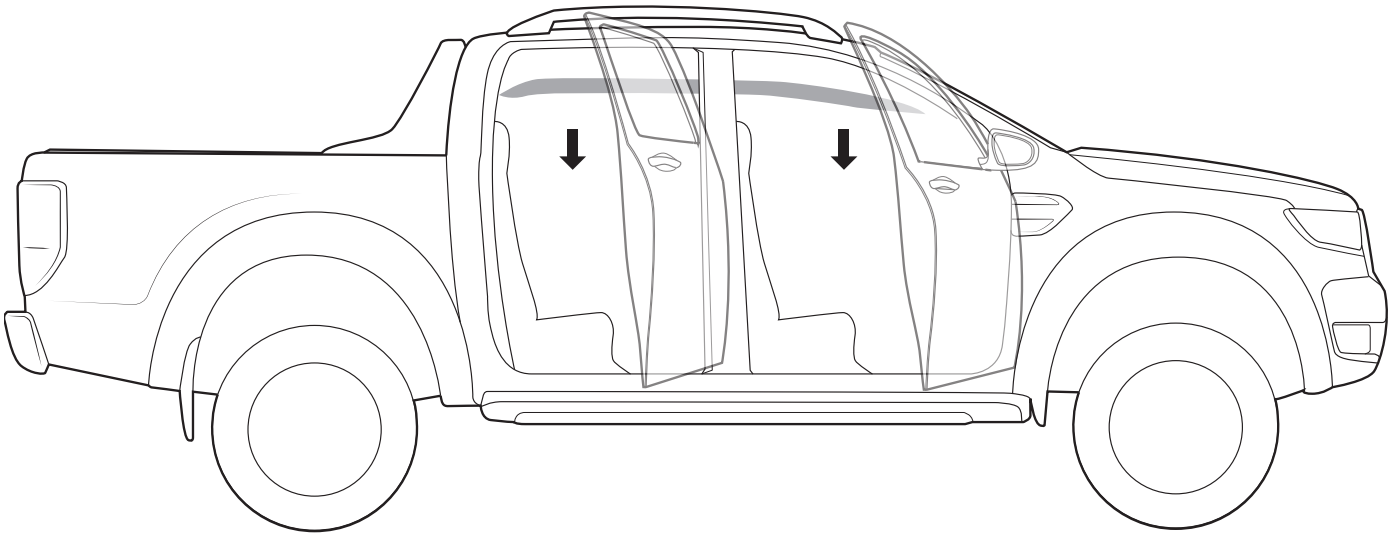

1

Move to the side of the vehicle. Use a step ladder to get access to the vehicle.

REMOVING THE FACTORY RAILS 2

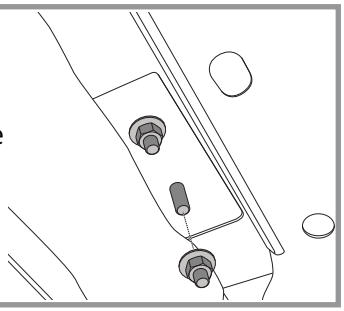

Following the factory instructions, carefully drop the roof liner of the vehicle.

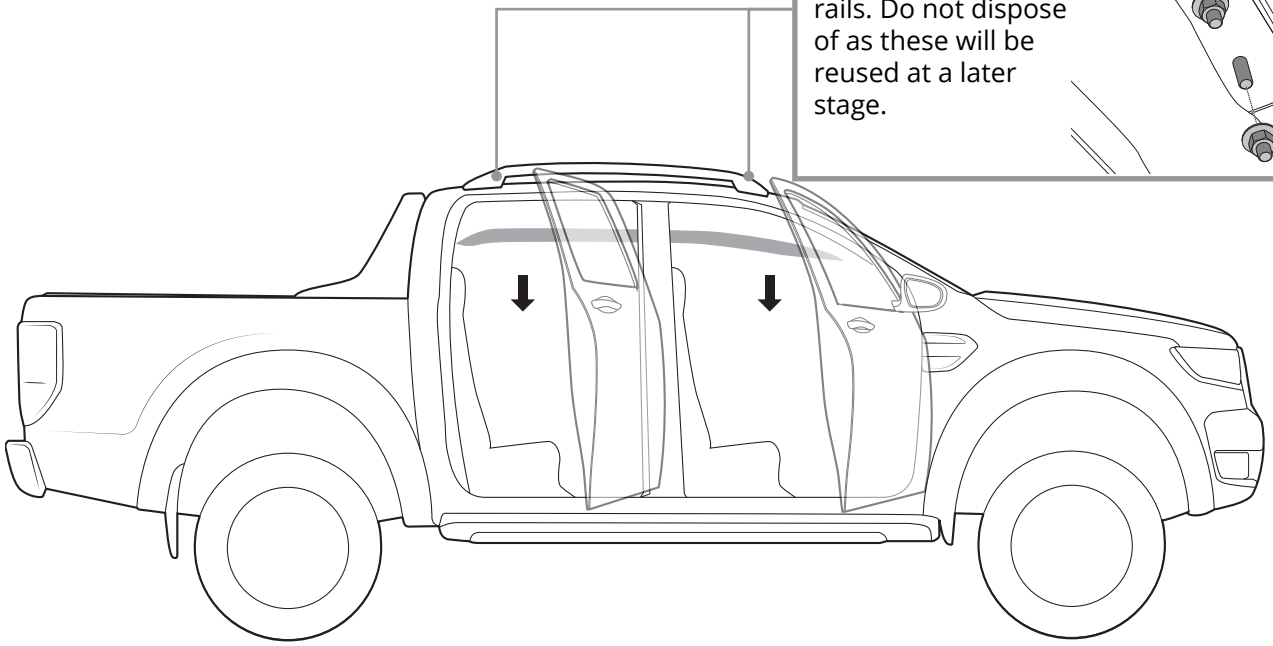

3

Carefully drop the hood liner as per Ford factory instructions.

Remove the factory nuts from the underside of the rails. Do not dispose of as these will be reused at a later stage.

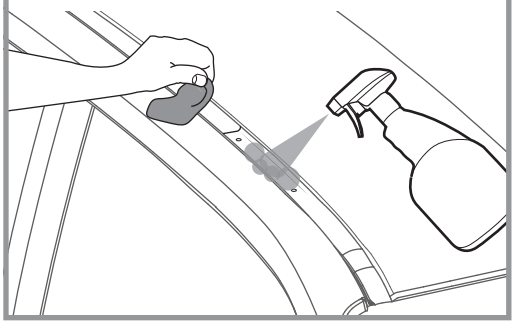

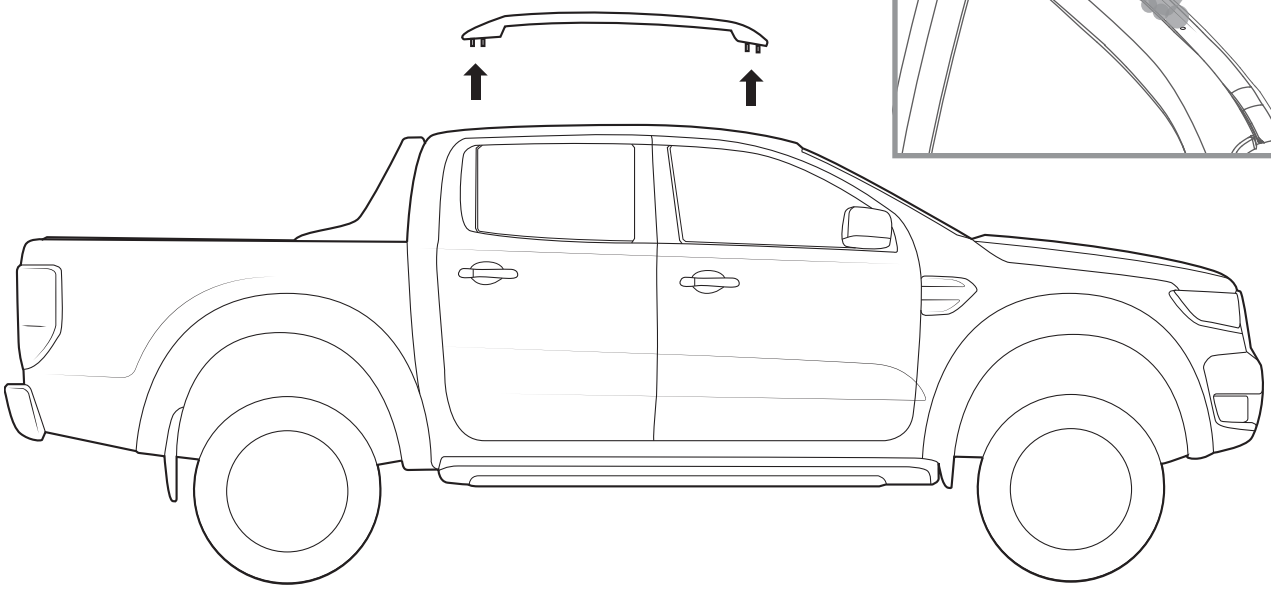

4

Lift the factory rail off the vehicle.

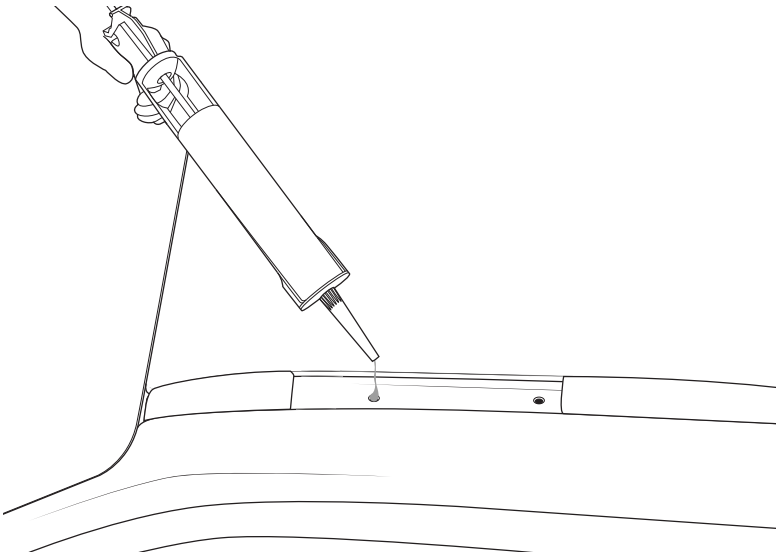

Ensure the roof is clean where rails were removed.

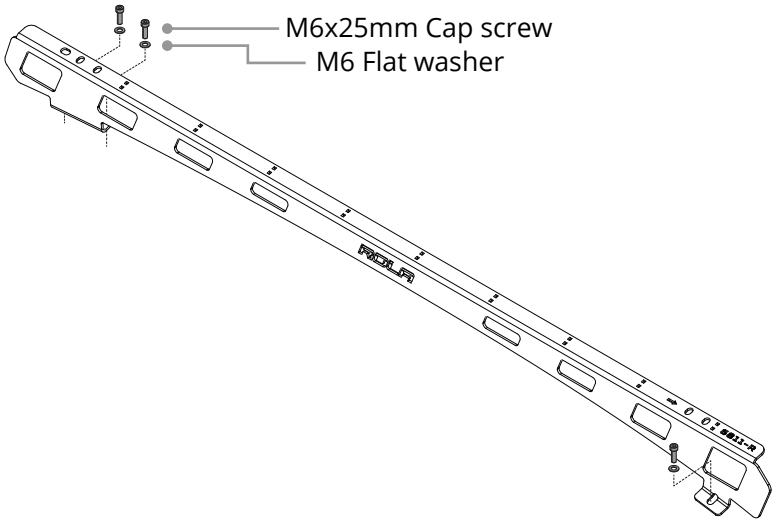

5

Apply butyl mastic to the holes left by removing the factory rail.

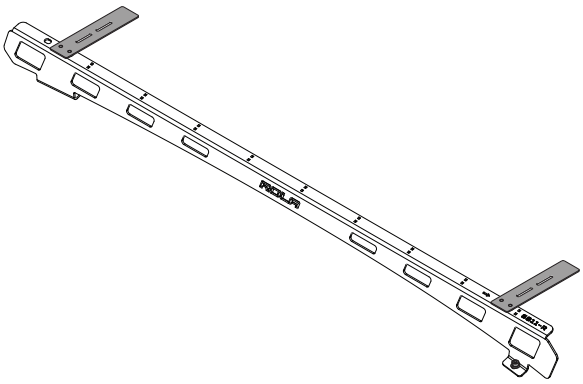

6

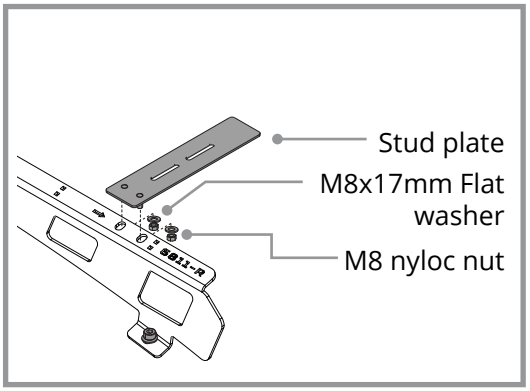

Assemble M6 hardware into the Ridge Mount Rails as shown.

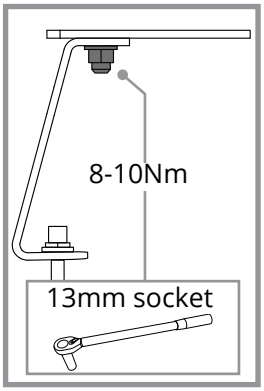

7

Install the stud plates as shown.

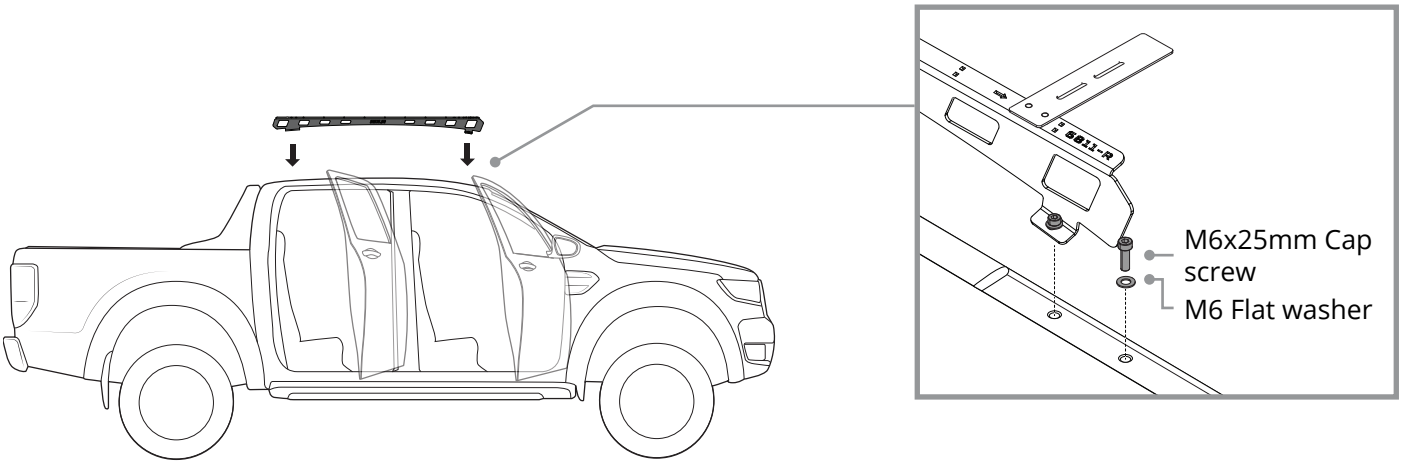

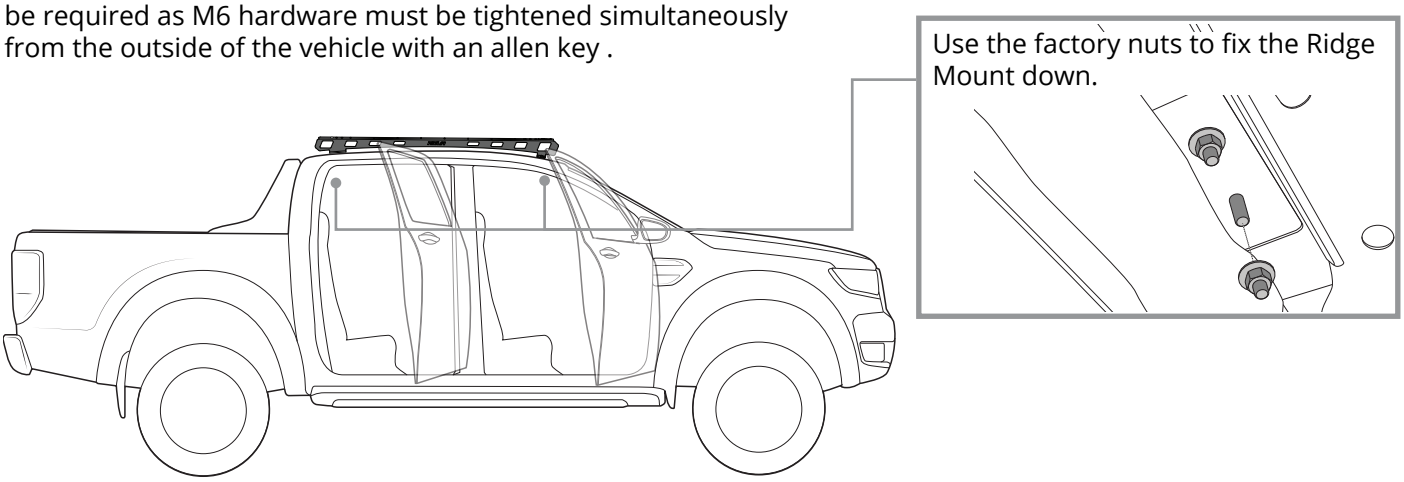

8

Place the Ridge Mount assemblies onto the roof. The M6 hardware will slide through the holes in the roof. Set the assembly one hole back from the front as shown.

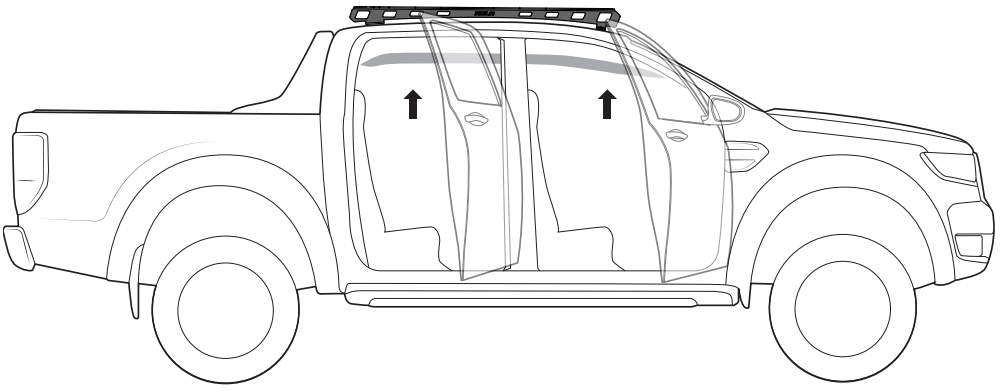

9

Fix the Ridge Mount assemblies in place, using the factory nuts removed in step 3. Assistance will be required as M6 hardware must be tightened simultaneously from the outside of the vehicle with an allen key .

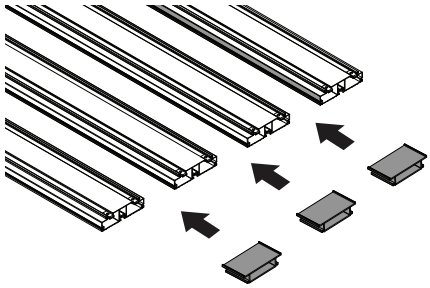

10

Replace the headline back into its original position.

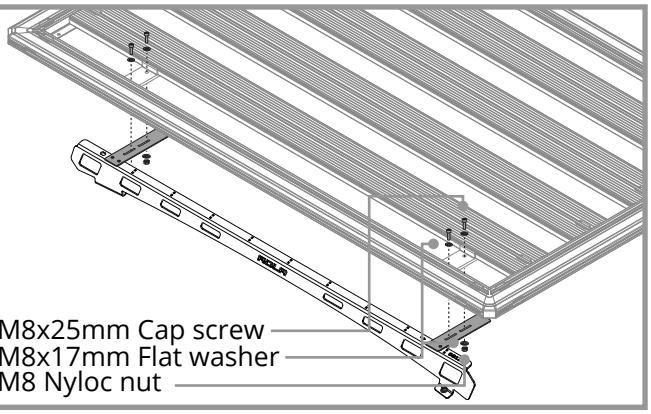

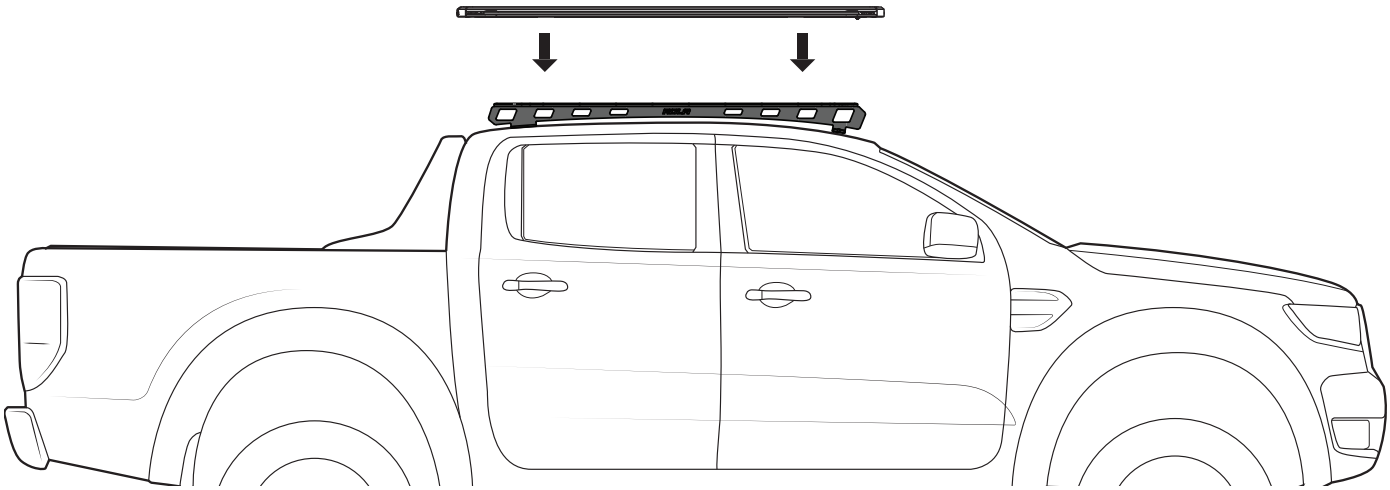

TITAN TRAY FITMENT 11

Install the Rola Titan Tray as per corresponding instructions.

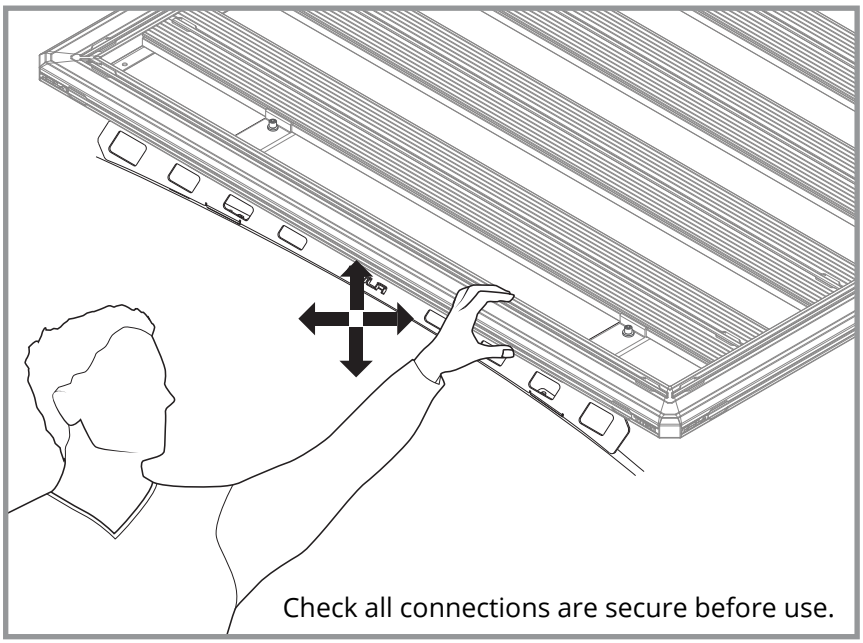

Install the interlocking blocks, as per step 6 in the Titan Tray Fitting Instructions.

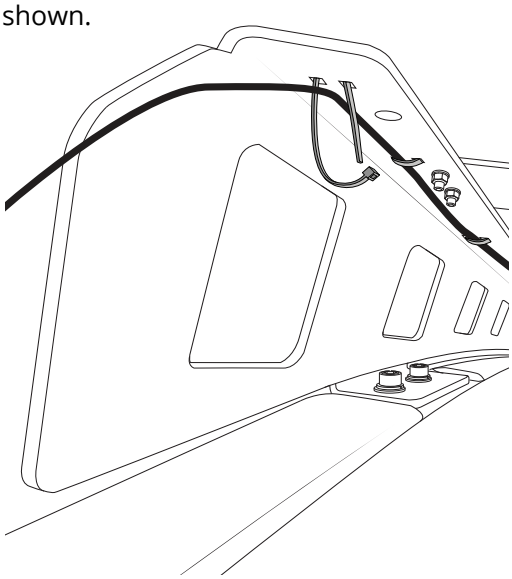

Note:

Check all connections are secure before use.

Wiring can be run and secured on the underside of the Ridge Mount rail as shown.

WARRANTY INFORMATION
Rola warrants that, subject to exclusions and limitations below, the Ridge Mount system will be free from defects in materials and workmanship for a period of 5 years commencing on the date of sale by the authorized Rola stockist to the original purchaser of the system.

If a defect appears in the Ridge Mount system before the end of the warranty period and Rola finds that the defect is in materials or workmanship, Rola will, in its sole discretion, either:

1. Repair the Ridge Mount or the defective component of the Ridge Mount system free of charge
2. Replace the Ridge Mounts or the defective component of the Ridge Mount system; or
3. Refund the purchase price of the Ridge Mount system to the original purchaser.

Rola reserves the right to change the design, specifications or composition of the Ridge Mount system without notice and without liability.

Rola reserves the right to replace defective products or components with products or components of similar quality, grade and composition, where an identical product or component is not available. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.
The 5 year warranty does not apply where:

1. The Ridge Mount system is not installed in compliance with the fitting instructions provided
2. The Ridge Mount system is not used as intended or designed
3. Any part of the Ridge Mount system is used with other products or components not intended to be used in conjunction with the Ridge Mount system
4. The Ridge Mount system has been on-sold or assigned by the original purchaser
5. The Ridge Mount system has been modified or repaired by someone other than Rola or an authorized Rola stockist
6. Rola cannot establish any fault after inspection of returned product
7. The Ridge Mount system has been subject to abnormal conditions, including fire, water, humidity, pressure, stress or similar
8. The defect in the Ridge Mount system has arisen due to abuse, misuse, neglect or accident
9. The defect in the Ridge Mount system has arisen due to the unlawful or unusual operation of the vehicle to which it is fitted
10. The defect in the Ridge Mount system has arisen due to the purchaser's failure to properly assemble, install, fit, maintain or use the Ridge Mount system in accordance with the specifications and instructions provided by Rola.

For safety and use instructions, please refer to any General or Specific Fitting Instructions and Warning & Care Instructions enclosed within the Ridge Mount system or on our website at www.rola.com.au.

This warranty does not extend to fair wear and tear. Warranty claims can be made by contacting Rola directly using the details below. A warranty claim must be accompanied by proof of purchase (such as receipt), details of the alleged defect and appropriate documentation (such as historical and maintenance records where appropriate). The customer must make the product available to Rola or its authorized repair agent for inspection and testing. If such inspection and testing finds no defect in the product, the customer must pay Rola usual costs of service work and testing. It is the purchaser's responsibility to arrange and pay to return the product or component to the place of purchase. The purchaser may seek reimbursement from Rola for the cost of such activities, providing Rola notifies the purchaser in writing that a warranty claim is justified. Any such claims made must be in writing via post or email.

The benefits of this warranty are in addition to any rights and remedies imposed by Australian State and Federal legislation that cannot be executed. Nothing in this warranty is to be interpreted as excluding, restricting or modifying any State or Federal legislation applicable to the supply of goods and services which cannot be so excluded, restricted or modified. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Rola makes no express warranties or representations other than set out in this warranty.
